

Greetings!

The [Plant Ontology \(http://www.plantontology.org/\)](http://www.plantontology.org/) would like to invite you, and other members of your group, to take part in an informal workshop and lunch we are putting together at [Plant and Animal Genome Conference XIX \(http://intl-pag.org/\)](http://intl-pag.org/), January, 2011.

The goal of the Workshop is to develop collaborations, improve communication and expand our interactions with other groups. We are planning on having about 4 or 5 short (~10 minute) presentations, followed by a buffet lunch and time for further interaction.
